Re: **British Journal of Surgery (BJS) online access for 2017 for €71.00**

Dear ASSA member,

The Association has in the past offered free access to the complete online version of the British Journal of Surgery. Unfortunately this has become financially unsustainable.

In an effort to add value for our members, the ASSA executive committee and secretariat have negotiated a substantially reduced rate for members. ASSA members can now access the full online content of the BJS for 2017 at approximately R1000. This compares to a cost of R4500 for non-ASSA subscriptions.

Please note that these amounts are subject to exchange fluctuations and exclude VAT.

You will see the option for the Association of Surgeons of South Africa third from bottom on the list. Follow the on screen instructions.
